WILDPEAK AT TRAIL

**RUGGED CROSS-OVER CAPABILITY
ENGINEERED FOR ADVENTURE.**

WILDPEAK AT TRAIL ▶

The **WILDPEAK A/T TRAIL** tyre is built for adventure, delivering rugged off-road capability without compromise on the open road. Engineered to match the dynamic characteristics of modern crossovers, the A/T TRAIL strikes the perfect balance between aggressive off-road traction and dependable all-weather performance. Durable 2-ply polyester construction and rugged upper sidewall features protect the A/T TRAIL from off-road terrain, while an optimized tread design helps to maintain the efficiency and versatility of a modern CUV. The **WILDPEAK A/T TRAIL** encourages adventure-seeking crossover owners to discover true all-weather capability.

FEATURES

CROSSOVER-SPECIFIC CAPABILITY

Crossover-specific design matches a CUV's unibody construction and higher center of gravity to provide enhanced handling year-round.

ALL-WEATHER TRACTION

3D Canyon Sipe Technology and increased tread depth provide more winter traction than a traditional all-season tyre.

ON-ROAD DEPENDABILITY

An optimized tread design features Falken's silica-enriched tread compound to deliver superior wear life over a wide range of operating temperatures.

OFF-ROAD DURABILITY

Durable 2-ply polyester construction and rugged upper sidewall features protect the tyre from sharp rocks and off-road terrain.
